Engineering For Kids®

2019 Winter Afterschool Program

German International School

3D Printing: Super Heroes to the Rescue

3D Printers are one of the most widely applicable and fun inventions on the tech scene today! In 3D printing: Superheroes To The Rescue, we will explore the basic concepts of 3D printing and computer-aided design, or CAD, to design and create our very own 3D printed superhero! Students will take their hand drawn design and learn how to extrude it into a 3D model that can then be modified to be printed in 3D.

Program Details

Ages: 7 - 12

Dates: Jan 22, 29 Feb 5,12,19,26, Mar 5 ,12, 2019

Time: 3:15 pm - 4:45 pm

Price: $228 per student

Location: German International School
