

German International School

Immersion Preschool Daily Schedule

Morning Circle (8:30 – 9:00 am)

We start our school days together. Morning circle provides a positive tool for building social awareness, communication skills, and a sense of connectedness.

Free Play Time (9:00 – 10:00 am)

Children explore the classroom in a variety of spaces for independent, small, or large group activities. These spaces include building, dramatic play, library, sensory, art, writing, music, and snack time.

Learning Circle (10:00 – 10:30 am)

Children are exposed to enjoyable stories and books that are informative and widen the understanding of a topic of study.

Outdoor Exploration (10:30 – 11:30 am)

This time is for gross motor activities, language learning, and social interactions.

Small Group Time (11:30 – 12:00 pm)

We work on increasing coordination of small motor movements, such as holding a pencil or cutting. We also work on letters, sounds, shapes, colors & numbers.

Lunch (12:00 – 12:30 pm)

Lunch presents children another opportunity to practice and improve language and social skills while eating a nutritious lunch.

Story Time (12:30 – 12:45 pm)

We will either have a short story time or let children look at books independently. This gives the children an opportunity to transition into quiet time.

Quiet Time (12:45 – 2:00 pm)

Children are encouraged to utilize this time to calm their minds and bodies.

Free Play Time (2:00 – 2:40 pm)

Children have the opportunity to explore the classroom or go back outside.

Good Bye Circle (2:40 – 2:50 pm)

Just as we started the day together, we end each day together. During this time we reflect on the day, and join each other in a good-bye song.

Additional Core Programming

Our special weekly classes include: Second Step (English), Physical Education (English), and Music (English).
